

Snooty[®]

J E W E L R Y

Thank you for your interest in Snooty[®] Jewelry!
All of our designs are handmade in America with sterling silver ear wires/posts,
and genuine Swarovski[®] Elements.

When one price is shown, the entire piece is sterling silver.
When two prices are shown, silver-filled findings are used for the lower price;
the higher price is for the all-sterling silver version.
All ear wires/posts are always sterling silver.
